GRESART
CERAMICA

Impactful Glance

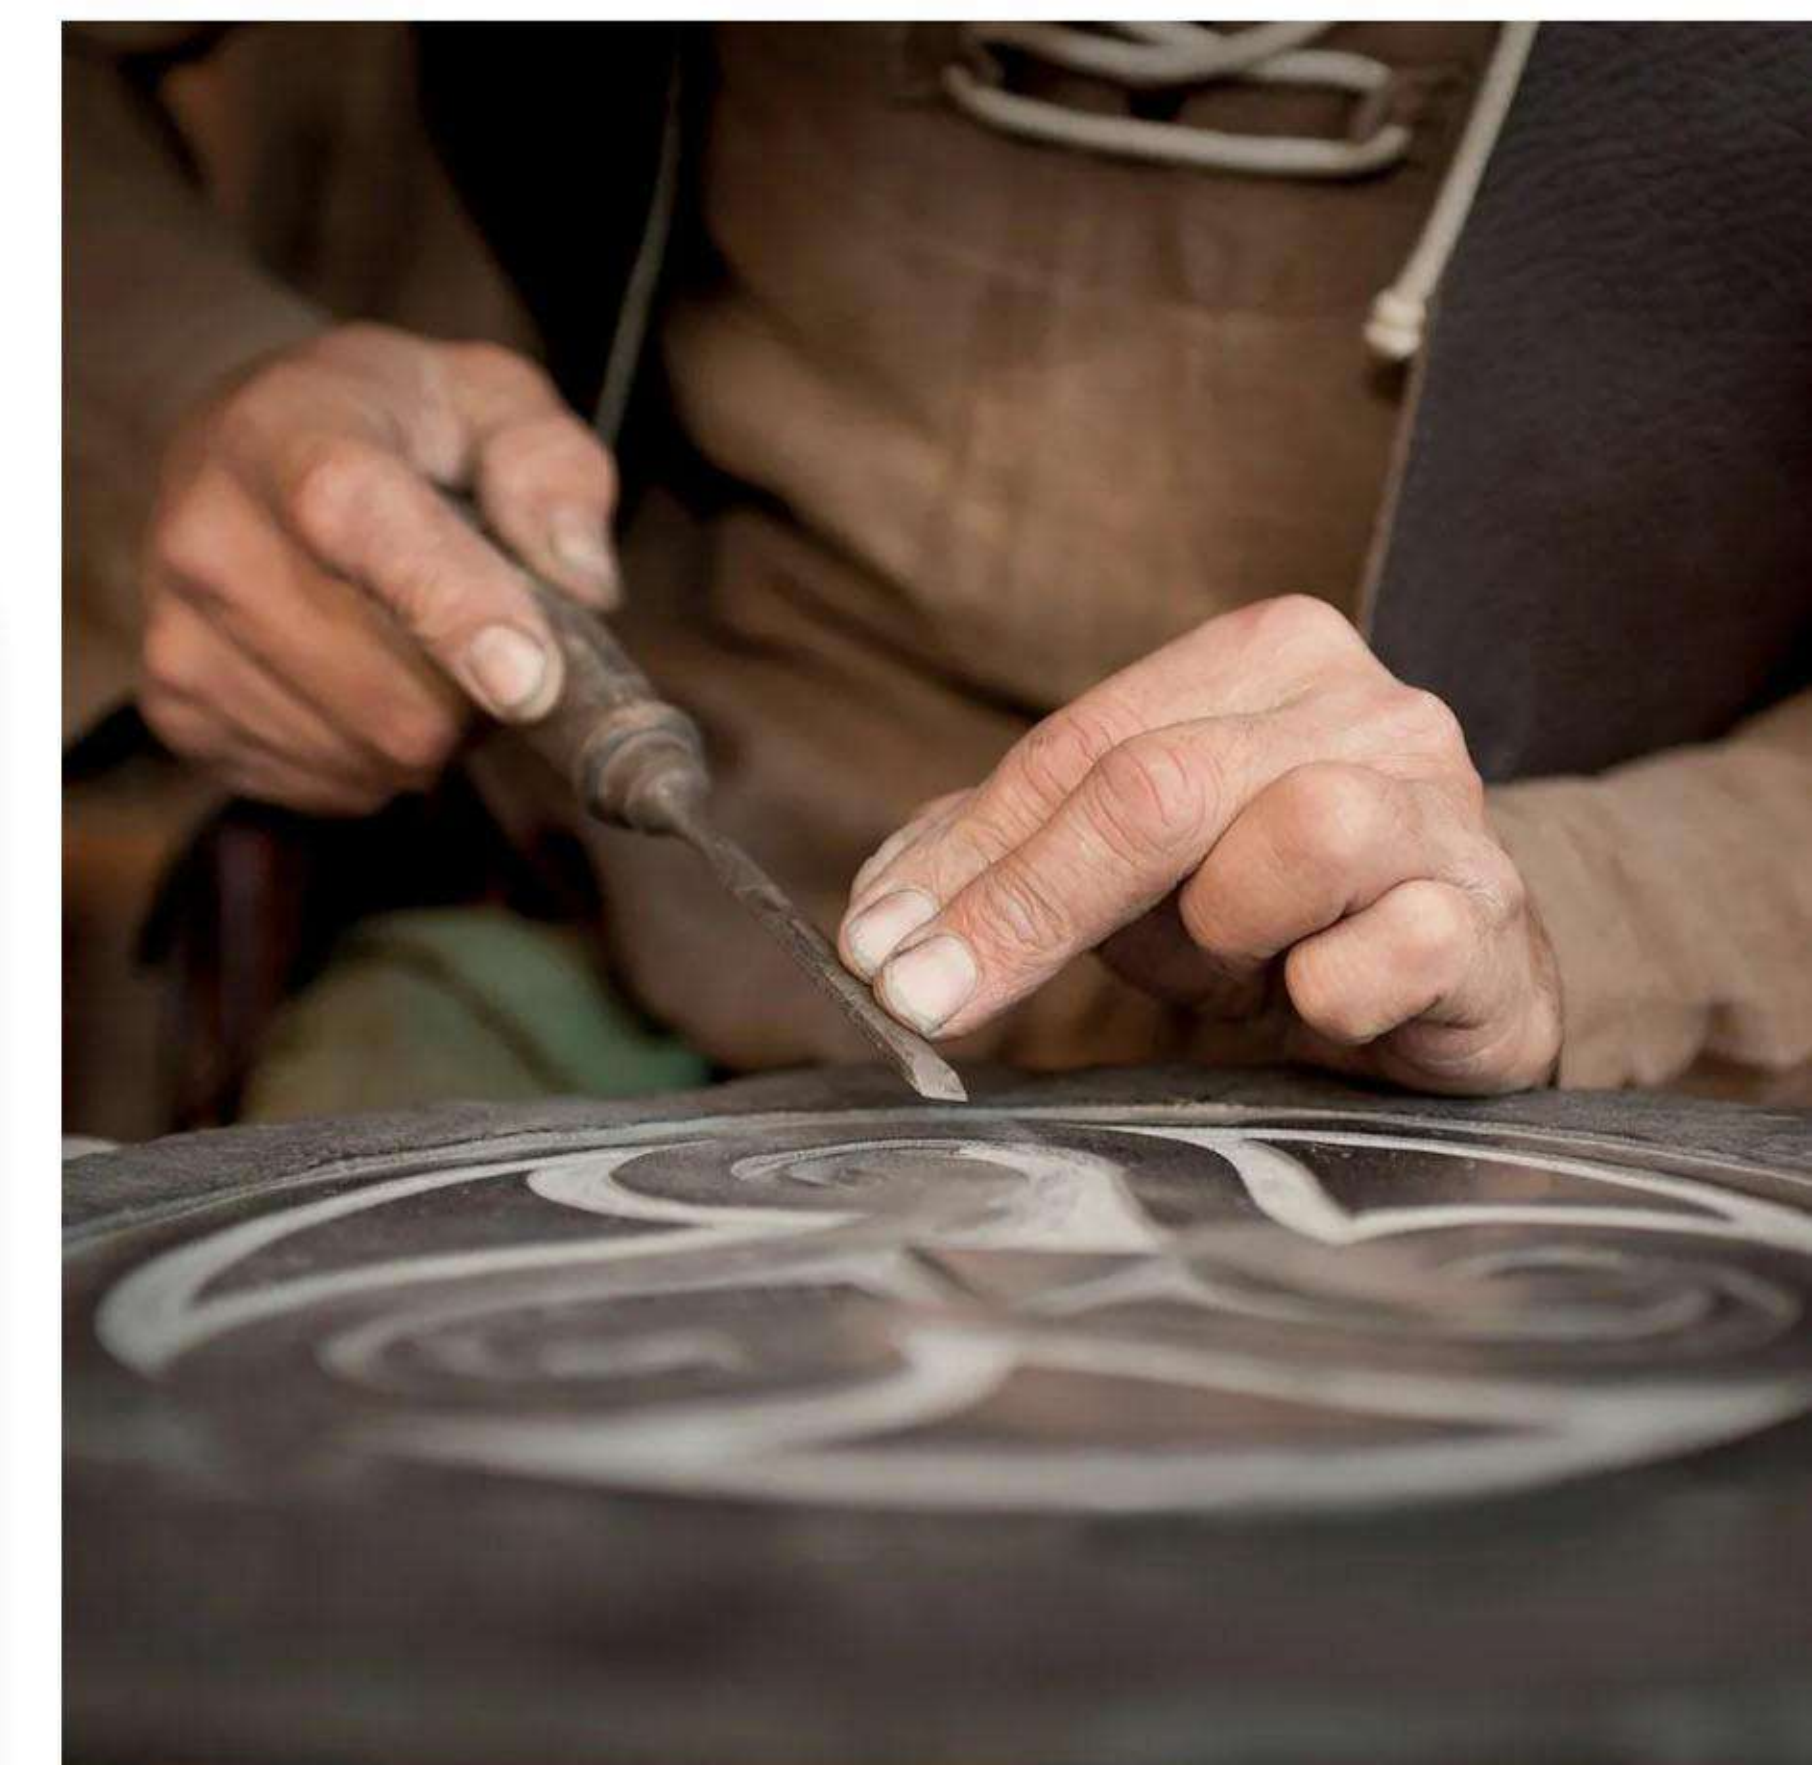

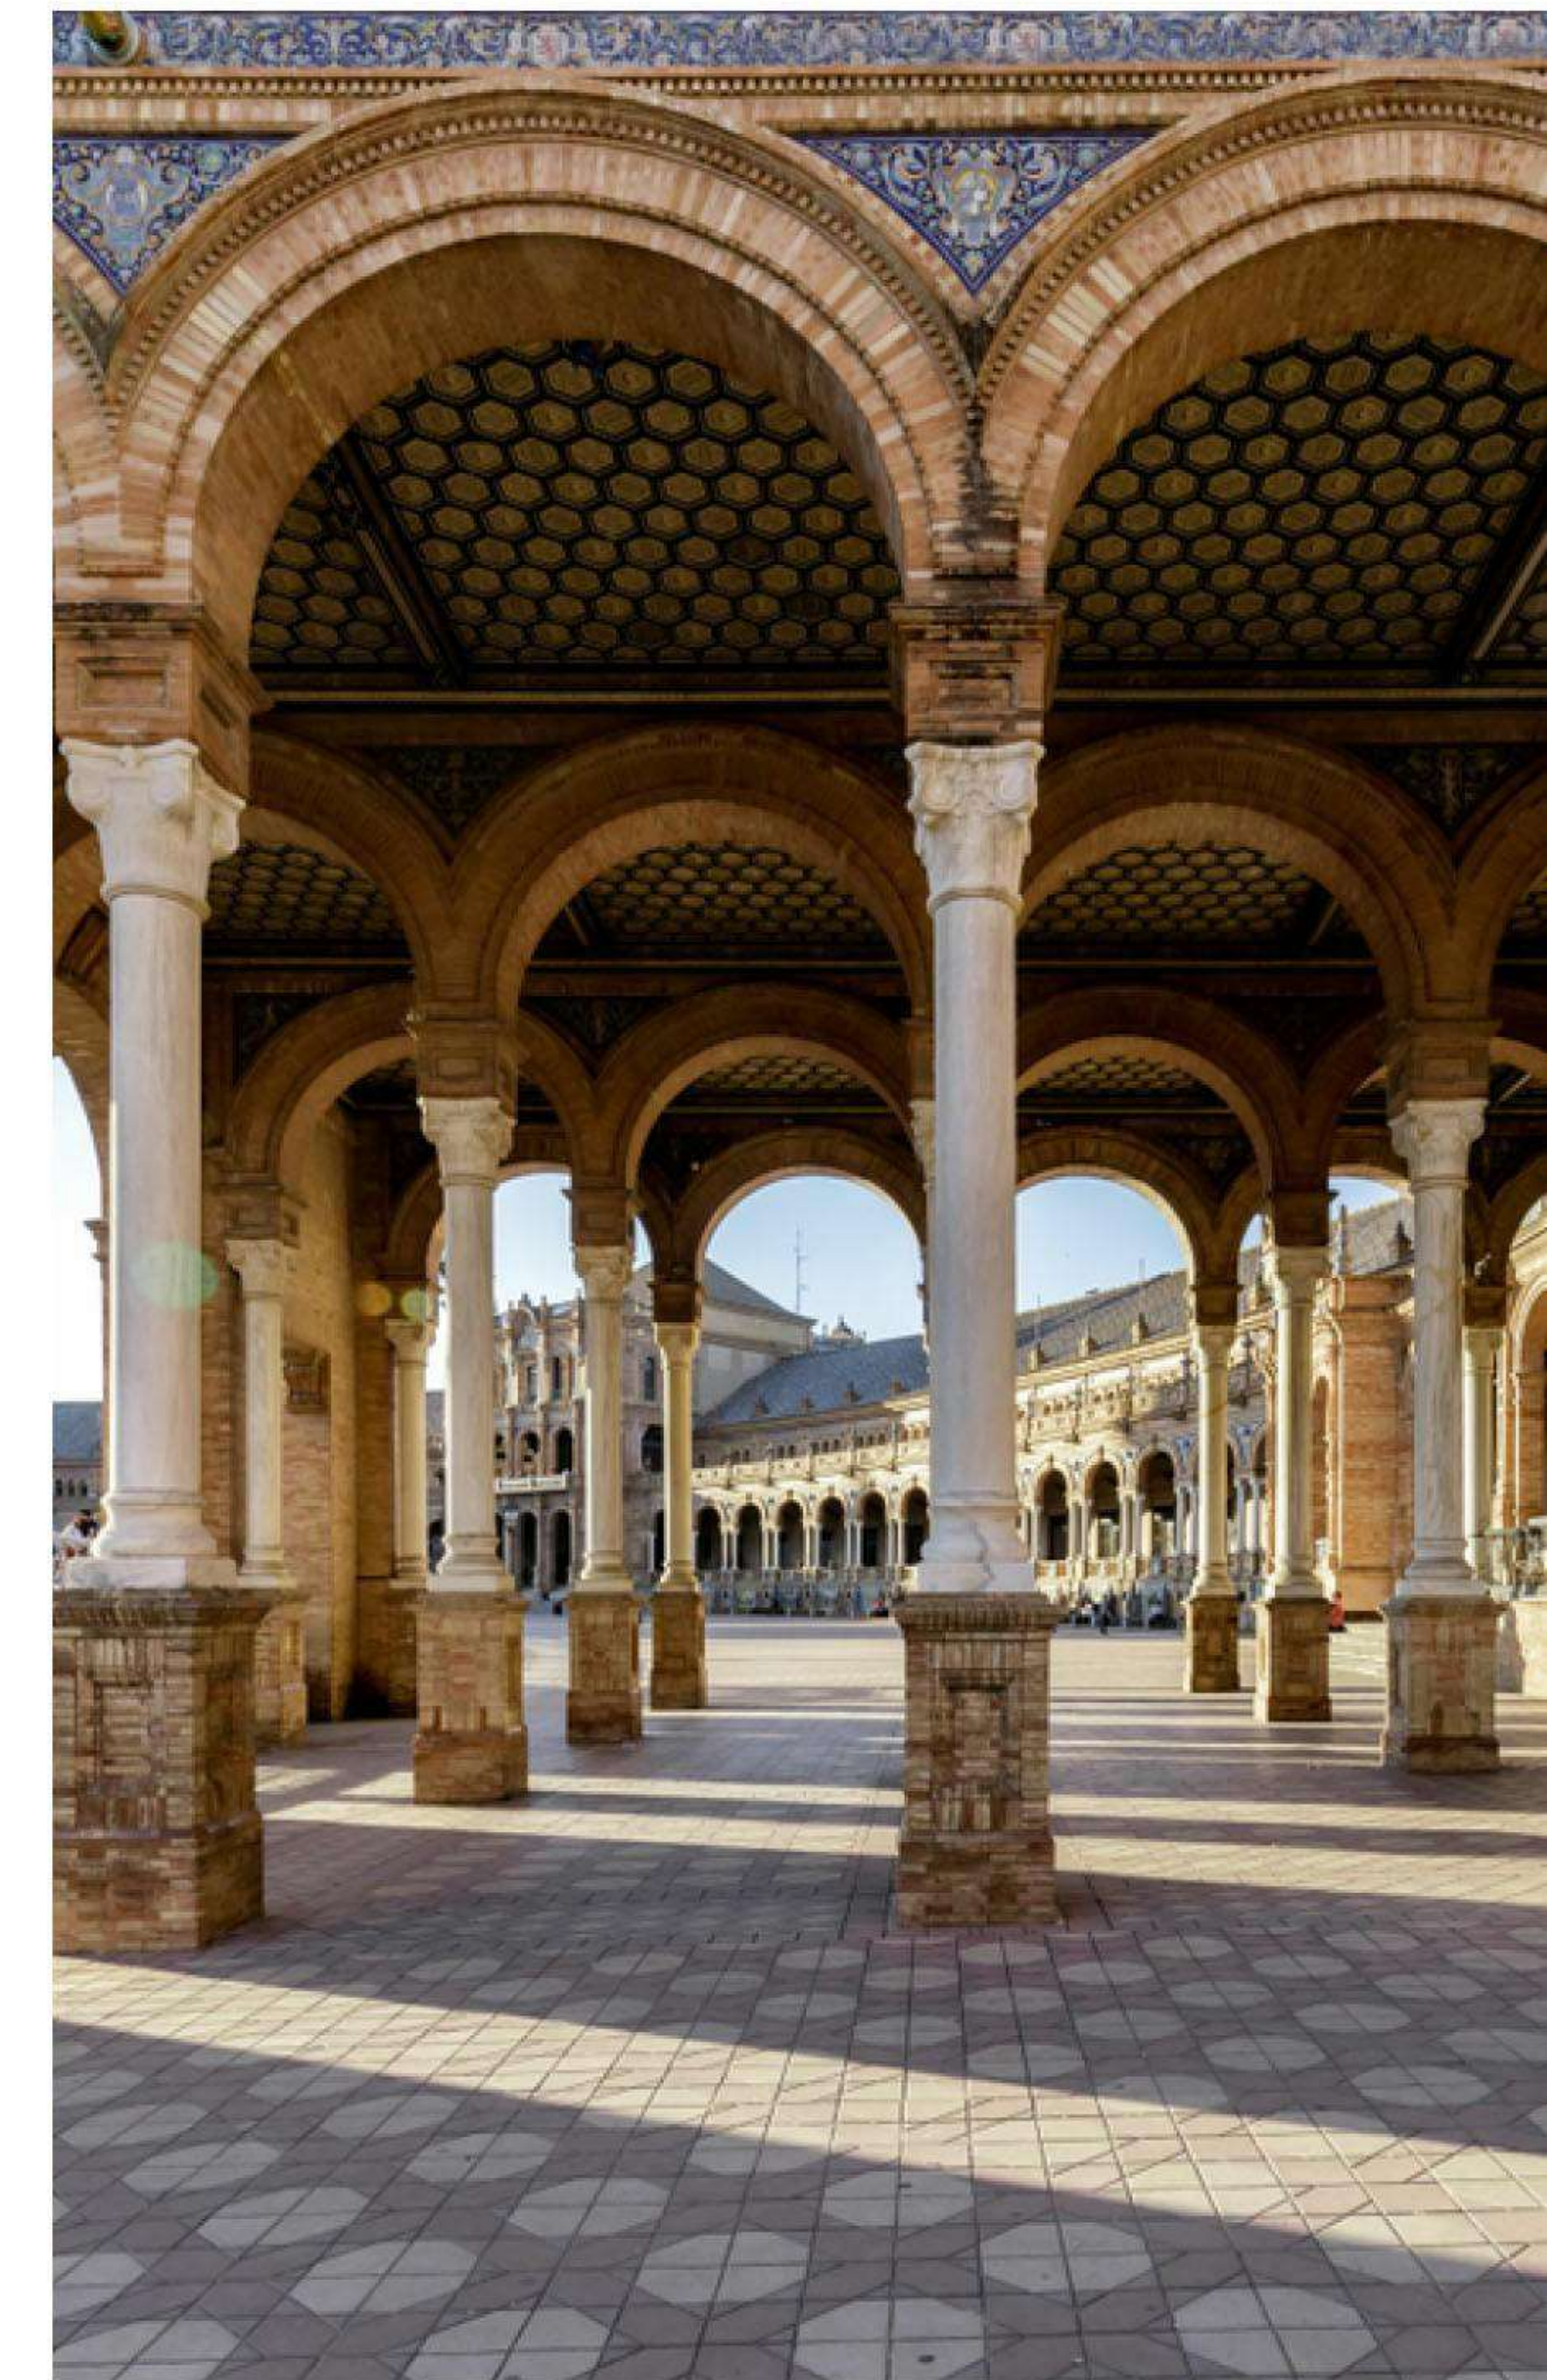

GRESART is the premium ceramic brand par excellence, with products conspicuous for their elegance and sophistication, based on cutting-edge technology and modern design. A brand with a forward looking philosophy and strong emphasis on innovation and design.

We build on our experience as manufacturers and keen interest in progress, redefining ourselves to keep up with the times. With products more versatile than ever before thanks to our new formats, finishes and textures, we aspire to create exquisitely desirable products truly distinctive from all the rest.

Desirable Influence

The ceramic era inspired the idea of the glossy collection, which combines visual complexity the quality of the "aged" ornamental and the linear severity of the geometric de-cows. Soft beige and gray tones, a panel with a multi-layered floral pattern design and water color stripes of decorative elements everything is created to create a calm yet brightly individual interior with interesting ac-cent parts.

Ecological

The shades that comprise the Glossy series, thanks to their sobriety and naturalness, perfectly integrate with the contemporary style of home furnishing. The minute details that characterized the glossy collection are seen best in the three dimensional structures decor; in the Wall 3D, for example, built from small bush-hammered, honed and sand-blasted pieces, or in the Rub decor, which with its worked surface, tells the story of the material quality of sedimentary stone. The Wall Caddle interprets an assemblage of tradition, which combines perfectly with the rest of the collection.

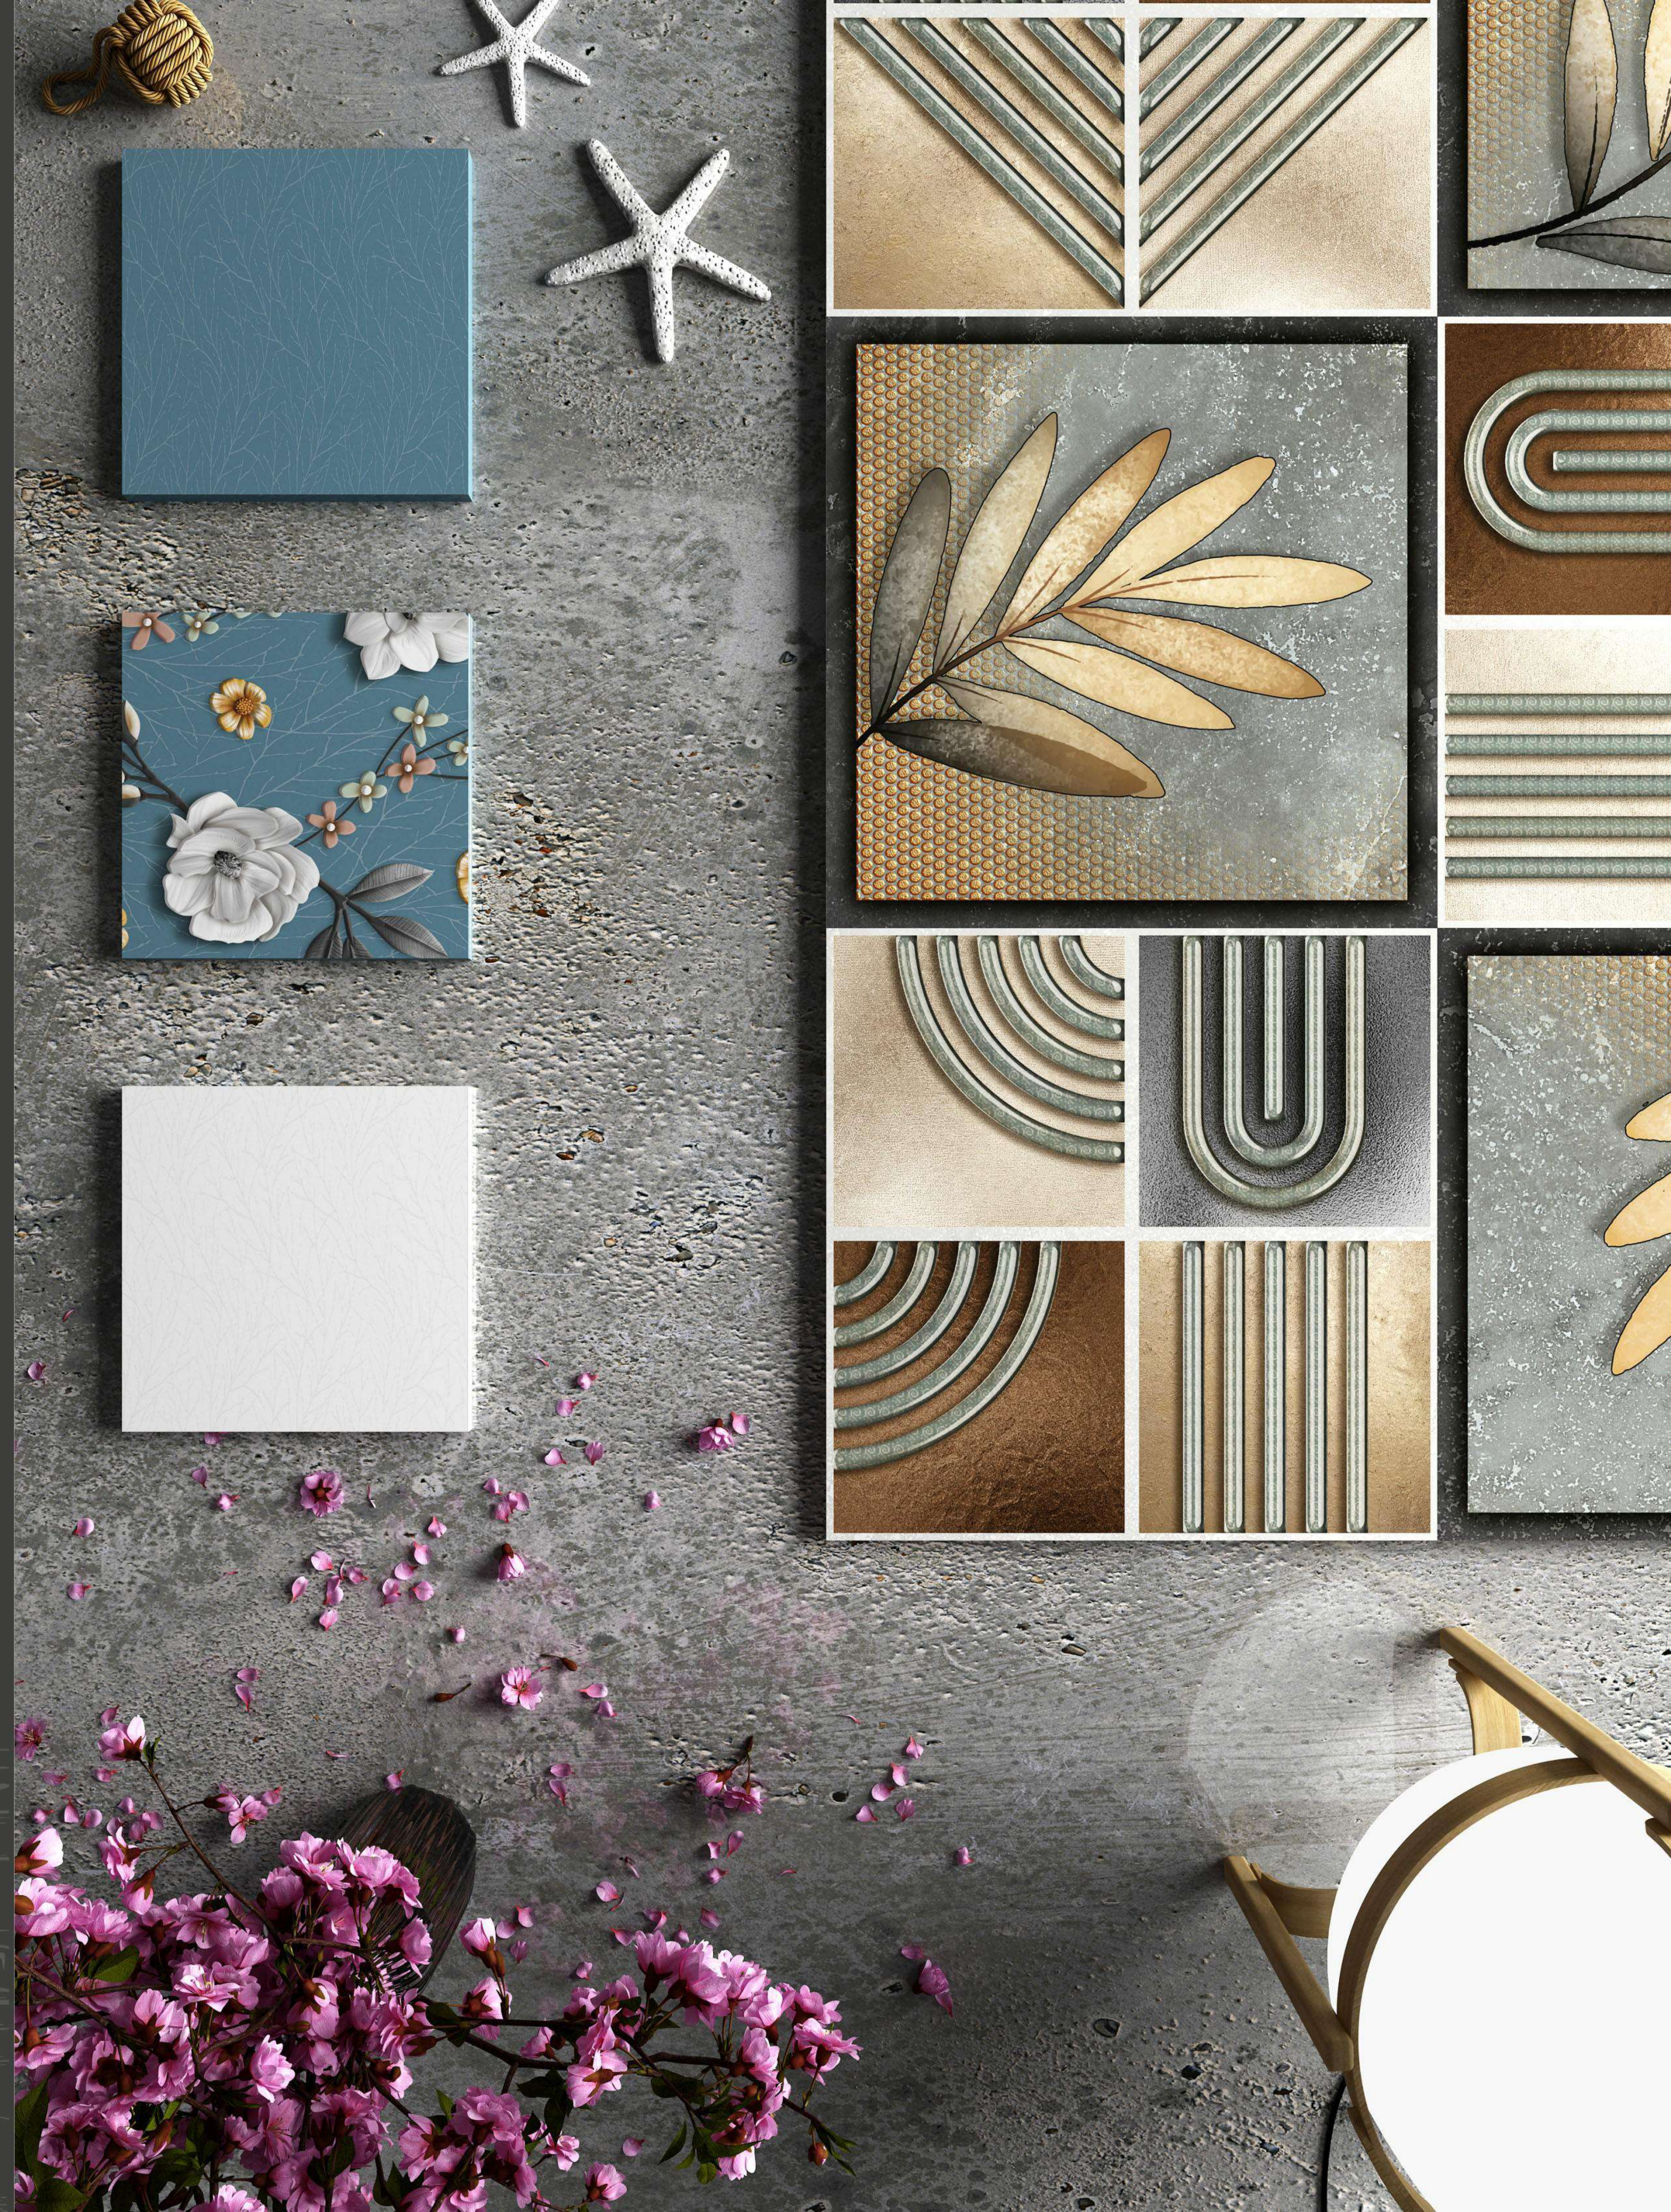

Luxurious Look

When Wall Pattern Inspires Ceramics

Bold and bright, Gresart's decor features a blend of ornate patterns, vibrant colors, and glossy accents for a worldly vibes. Elaborately carved punches and depth sets the backdrop for vivid reds, oranges, blues, and greens. Pouf ottomans with intricate stitching lend a relaxed-but-chic feel to any room.

This collection selects the most precious pattern, structuring a range inspired by the abundance of the quarry materials. The antiqued surfaces cross the entire color range: the classic patterns and the delicate colors, the harmonious shapes and the chromatic variability of the tiles, up to the decisive contrast on the the surface.

Space

we have collected the most relevant in modern design from maximalism with a riot of tropical colors to the suprematist SUPREME motifs, modernist panels. We were inspired by everything that has become the pinnacle of interior fashion the rethinking of traditional ornaments and shapes, pronounced textures, pure colors and delicate shades in harmonious and contrasting combinations, unusual patterns and graphics.

ARTISTIC

Impression

Fresh, crisp, eye-catching. Italian Dream is the collection that pays tribute to modern design, blending the tile in solid colors - characterized by a dotted surface with enamel effect - different patterns: from those that reproduce flowers to those who pay homage to the leaves, ending with the patchwork versions with lines and prints or pictures stolen from the floral world

Design That Recover The Traditional Essence

A thoughtful selection of elements will help to create a bright and characteristic interior, which is exactly will appeal to fans of design experiments. And if you want more peace mood, you can choose a monochrome version with several accent inserts

This collection has become the quintessence of rigor and sophisticated style. Such a refined interior will remain relevant for many years. The combination of different reliefs of the same texture provides amazing decorative effects.

MASTERY

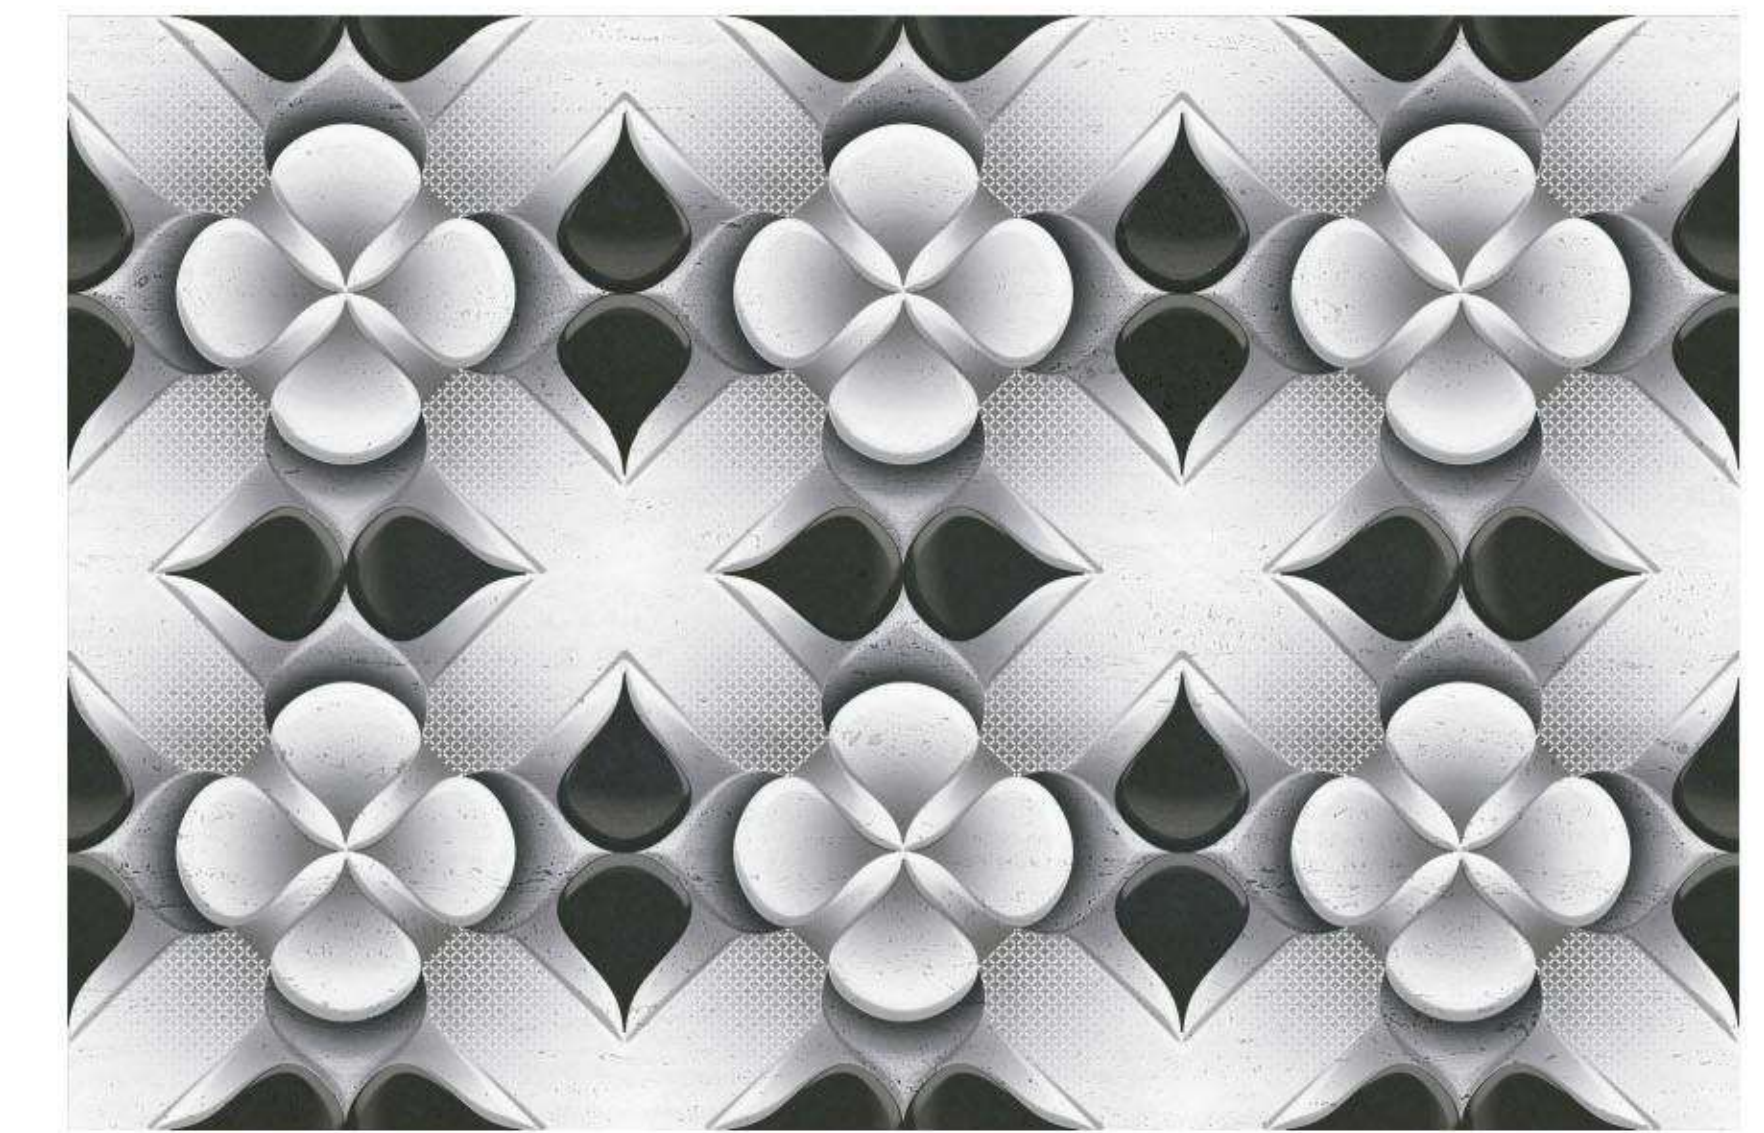

Of Decor

A magic that allows time to be lived and enjoyed in both directions. Objects and concepts that trace a bygone era yet have the energy to bound back into the present. A beauty that manages to bypass the limits of time itself. The real definition of beauty, a material which reclaims the hand-chipped authenticity of yore, of the fundamental architecture that gave life and character to many a medieval square.
