GRESART
CERAMICA

GRESART is the premium ceramic brand par excellence, with products conspicuous for their elegance and sophistication, based on cutting-edge technology and modern design. A brand with a forward looking philosophy and strong emphasis on innovation and design.

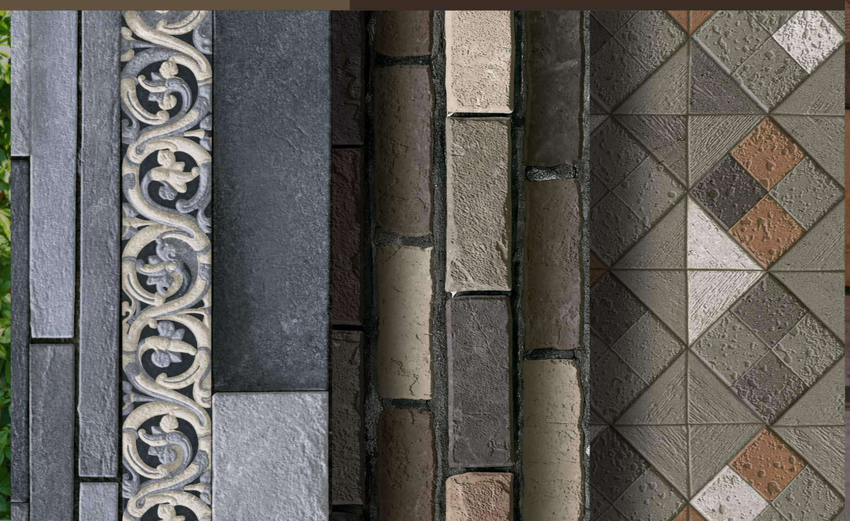

We build on our experience as manufacturers and keen interest in progress, redefining ourselves to keep up with the times.
With products more versatile than ever before thanks to our new formats, finishes and textures, we aspire to create exquisitely desirable products truly distinctive from all the rest

an exceedingly

Natural look

Luxuriance

As accents, the idea is to break the monotony of the solid colored walls with upholstery, furniture and decoration indigenous to this area.

Style Of Fabulous finesse

The shades that comprise the Elevation series, thanks to their sobriety and naturalness, perfectly integrate with the contemporary style of home furnishing. The minute details that characterized the Elevation collection are seen best in the three dimensional structures decor; in the Wall 3D, for example, built from small bush-hammered, honed and sand-blasted pieces, or in the Rub decor, which with its worked surface, tells the story of the material quality of sedimentary stone. The Wall Caddle interprets an assemblage of tradition, which combines perfectly with the rest of the collection.
