 **POOJA ROOM**
300X450MM

The shades that comprise the Pooja Collection, thanks to their sobriety and naturalness, perfectly integrate with the contemporary style of home furnishing. The minute details that characterized the glossy collection are seen best in the three dimensional structures decor; in the Wall 3D, for example, built from small bush-hammered, honed and sand-blasted pieces, or in the Rub decor, which with its worked surface, tells the story of the material quality of sedimentary stone. The Wall Caddle interprets an assemblage of tradition, which combines perfectly with the rest of the collection.
